**You have questions?
We have answers.**

What is the economic impact of the Lottery business in my area? How many local companies increase profits by doing business with the Lottery? How many of my neighbors are winners? How much money has my local public school received from the Lottery in the past year? Who decides how the Lottery funds are spent in the public schools? How much have Lottery players won since the Lottery began? What happens to the prizes that go unclaimed? What security measures are taken to ensure the integrity of Lottery games? ~ **We can answer that!**

Our speakers are available to discuss these questions and more. Topics include: • Lottery Organization • Product Design • Marketing and Research • Retail Sales • Information Technology • Finance • Education Funding

The Lottery's Speakers Bureau will provide you with insight into the operation of the Lottery. Since 1974, we have been creating new and fun ways for our players to win, while making important contributions to Ohio's public school system.
