Definition of Terms

Credits Played: The amount of onscreen credits wagered on a video lottery terminal (VLT). This amount represents cash, vouchers and promotions inserted into the VLTs.

Credits Won: The amount of onscreen credits won on a VLT. Also includes any progressive jackpot liability due to players.

Promotional Play Credits: The amount of promotional play for the month.

Net Win: The net revenues remaining after payout of prizes to players. (Credits Played less Credits Won and less Promotional Credits).

Average Number of VLTs: The average number of VLTs at the property.

Win/VLT per day: Net win for the month divided by the number of days in the month divided by number of VLTs.

Racino Commission: The portion of Net Win paid to the racino operator as compensation for operating the gaming facility.

Ohio Lottery: The portion of Net Win retained by the Ohio Lottery.
