(B) General design.

(1) OLC Operating Procedure number one thousand twenty-four is a symbol reveal, key number match game and is generally known as an "instant lottery." All games are played separately.

If the player reveals a "Roll of Money" symbol in any of the "Fast Spots" spots, the player wins the prize shown for that "Fast Spot." "Fast Spots" are played separately. Next, the player will remove the covering from the ten "Winning Number," and the twenty-five "Your Numbers." If the player reveals a "10X " symbol, the player wins ten times the corresponding prize shown. If the player reveals a "20X" symbol, the player wins twenty times the corresponding prize shown. If the player reveals a "50X" symbol, the player wins fifty times the corresponding prize shown. If the player reveals a "200X" symbol, the player wins two hundred times the corresponding prize shown. If the player reveals a "Crown" symbol, the player wins all twenty-five prizes shown. There are thirty chances to win on each ticket, and a player may win up to thirty times on one ticket.

(3) The only "prize values," which shall appear on a ticket in OLC Operating Procedure number one thousand twenty-four are: ten dollars, twenty dollars, twenty-five dollars, thirty dollars, fifty dollars, one hundred dollars, two hundred fifty dollars, three hundred dollars, five hundred dollars, one thousand dollars, five thousand dollars, ten thousand dollars, fifty thousand dollars, and an "Annuity Prize Award" of eighty thousand dollars per year for twenty-five years before taxes or the "Elected Cash Option Prize Award" of approximately one million dollars before taxes in lieu of the "Annuity Prize Award." Numbers, prize values and play symbols appearing on any ticket in OLC Operating Procedure number one thousand twenty-four shall be concealed by an opaque covering, which may be scratched off by the holder of the ticket to reveal the underlying numbers, prize values and play symbols.

(G) Frequency of prize drawings.

    (2) When a ticket issued in OLC Operating Procedure number one thousand twenty-four is sold or deemed sold in accordance with this rule, and the

covering material over any of the numbers, prize values and play symbols has been removed, the holder shall be deemed to have drawn the numbers, prize values and play symbols on that ticket, which determine whether the holder is entitled to a prize award. All prize awards shall be deemed announced no later than the last day of the sales cycle of OLC Operating Procedure number one thousand twenty-four in which the ticket was sold.

(H) Special claim, entry, receipt and validation procedures. The director shall establish special claim, entry, receipt and validation procedures, including procedures for validation by sales agents of tickets winning prize awards, which are to be paid by sales agents in accordance with commission rules. Prize awards shall be claimed within the time limits set forth by commission rules.

(I) Validity of tickets.

(1) A mechanical error in printing prize awards, symbols, words or other numbers on a ticket shall not automatically invalidate that ticket. To the extent feasible, the director shall establish procedures by which the holder of any ticket on which information is incorrectly printed due to mechanical malfunction may be advised of correct information for the ticket. If it is not technically feasible to recover the information from a mechanically misprinted ticket, the director may declare the ticket void and the holder shall be entitled to a return of the ticket price or a replacement ticket of comparable price.

(2) In addition to, but not in limitation of, all other power and authority conferred on the director by the commission's rules, the director may declare a ticket in OLC Operating Procedure number one thousand twenty-four void if it is stolen, deactivated, not sold or deemed not sold in accordance with commission rules; if it is illegible, mutilated, altered, counterfeit, misregistered, reconstituted, miscut, defective, printed or produced in error or incomplete; if the ticket fails any of the validation tests or procedures established by the director; or if the ticket is obtained in violation of commission rules, including, but not limited to, by way of prize discounting prohibited under rule 3770-3-01 of the Administrative Code.
