A message from the Director

It's the holiday season! I don't know about you, but I always feel like this time of year moves at warp speed. The holidays hit and before you can blink, it's time to ring in a new year! It's a busy season both at home and at your business as the holidays bring customers to your store.

Last month saw the release of new holiday scratch-offs, and we're following that up with new winter-themed scratch-offs on November 24. Watch for your shipment of new tickets including *Winter $50s*, *2027 Multiplier*, *The Wizard of Oz™*, *$500,000 Winter Jackpot*, and *100X the Win* ready to sell November 24.

Scratch-offs aren't the only popular product this time of year. As friends gather to watch football on Sundays, we're adding an extra incentive to play KENO™. Find the details of the KENO Football Free Play Promotion on page 16.

The Upgrade kicked off publicly with the delivery of new self-serve kiosks last month. This issue of Ticket Seller gives you a peek at a couple of the locations that were first on the list.

As you know, the new kiosks will only sell Scratch-Offs and take cash until the upgrade is complete in 2027. While this might feel like a limitation, it is a way to maintain sales during this transition instead of placing a dark machine in your location. In this issue, we're giving you helpful tips to encourage sales from your new self-serve kiosks.

The end of the year means it is time to get your house in order. See page 13 for details on how you can update your information for your 1099 form.

As we approach the end of 2026, I want to thank you for the work you do to promote and sell Ohio Lottery games. Your work helps fulfill the mission of the Ohio Lottery to help support K-12 education in Ohio, and your partnership means a lot to our agency.

Amid the hustle and bustle, I hope you find time for family and friends and those things that you hold close to your hearts. Happy Holidays!

Sincerely,

Michelle B. Gillcrist J.D.

Lottery Operations Update

The Upgrade is underway with retailers across the state starting to receive new PlayCentral® self-serve kiosks and Wave terminals.

Deliveries of new equipment will continue through the holiday and ramp up in January. It will take several months to install new equipment in all 11,000 retail locations.

Did you know?
When the Upgrade is complete, the Wave terminal will communicate directly with your self-serve kiosks. This means when a ticket bin is empty you will be notified on the Wave terminal.

Delivery Schedules

Be sure to answer the call to schedule your installation. You will be notified one week in advance that your location is on the schedule. You will receive a follow-up call 24-48 hours before installation to confirm your schedule. Your caller ID will say **ScientificGame** and the number is **216-888-0069**.

Retailer Resources Hub

The Retailer Resources Hub is live and always available to you by visiting ohiolottery.com/retailers. The site is a great place for you to get important information about *The Upgrade*, including frequently asked questions, images of the new equipment, and downloadable brochures, guides, and posters.

The retailer webinar held in October is also available on the Retailer Resources Hub so you can view it at a time that works for you.

New Self-Serve Kiosk Point-of-Sale Placement

The new self-serve kiosks are wrapped in the Lottery's new branding and are designed to be eye-catching. Your sales rep will guide you through placing any point-of-sale on your new kiosks, and more importantly using only the provided magnets and approved materials. See the do's and don'ts for tips to keep your new kiosk looking like new.

THE UPGRADE

Point-of-Sale Placement
Do's and Don'ts

Do:
- ✔ Use new provided magnet sign holders for mounting.
- ✔ Use the official POS from the Office of Marketing to display in approved locations on the kiosks.
- ✔ Clean the magnets before application to prevent scuffs. Any scuffs upon removal can be wiped clean.

Do Not:
- ✘ Slide the magnets across the wrap, as it causes scuffs (though these can be wiped clean).
- ✘ Use the peel and stick mounting strips, as they can damage the kiosk wraps.
- ✘ Use tape or other stickered materials on the kiosks.

How to Boost Holiday Sales

'Tis the season to stock up

- **Scratch-Offs make a merry stocking stuffer.**
  Keep your bins full with the newest Holiday Scratch-Offs and prepare for increased sales.

  Make sure to activate and sell at least one book of each holiday game and keep inventory stocked throughout the season. Ohio Lottery offers a convenient price point for everyone to enjoy.

- **Take advantage of holiday towers.**
  Get creative this holiday season! Consider a holiday tower to highlight the newest Scratch-Off games. Keep your displays neat and well stocked and position near checkout or other high-traffic areas.

  Ask your sales representative for ideas on best display practices.

- **Be prepared for weekend spending.**
  More than 25% of Scratch-Off sales come from our self-serve kiosks. Establish a schedule to check inventory and make sure you're not missing out on sales.

  Sci Games representatives will monitor any occurrences of low inventory among retailers throughout the holidays and adjust accordingly. Efforts will be made to ensure retailers have sufficient inventory throughout the peak holiday season.

- **More than a Stocking Stuffer.**
  Give the gift of Ohio Lottery by offering holiday envelopes for Scratch-Offs or EZPLAY games. Display them near checkout where customers can see.

Quantities are limited, so ask your sales representatives for details today.

Fresh Looks for Lottery Retailers

A great way to attract new customers is to give your retail space a makeover!

A team of sales representatives will work with you to determine the best placement for window and door signage to increase traffic inside your business.

Lottery sales representative Jim Graven recently completed two retailer makeovers. Jim says the main objective of a makeover is to help businesses boost their sales.

He says window space is important, and Lottery signage should be prominent to let customers know what's available.

Your local sales rep can also reorganize ticket displays to prioritize the most popular scratch-offs and showcase them.

"Every retailer and store front we work with is unique, and every owner and what they want is unique!"

Looking for a makeover in your future? Contact your Lottery sales rep to get one scheduled in the spring or summer!

Sell More from your Self-Serve Kiosks

Whether you have a new PlayCentral® self-serve kiosk or a WinStation, there are simple ways to encourage your customers to use them for Lottery purchases.

Follow these best practices to get players to the kiosk for their purchases.

PLACEMENT
Make sure your self-serve kiosk is in a visible location. Placing your kiosk near the entrance/exit or on the way toward the exit makes it impossible to miss.

NEW GAMES
Keep the bins filled with top selling games, especially the Holiday Scratch-Offs during the holiday season.

ATTRACTIVENESS
Keep your self-serve kiosk and the area around it clean and welcoming for customers.

CASHING
Reinvestment is key to additional sales, which makes cashing winning tickets a win for you and your customers. Post signage to remind customers that you cash all winning tickets up to $599.99.

While new self-serve kiosks only take cash, cashing customers' winning tickets is a great way to encourage additional cash sales from the new kiosks.

Cash Explosion Tailgate Events 2026

The Red, White and Win Tour came to an end last month with the last two stops at Sammy's Food Mart and Colla's Market.

The tour was born out of the idea to celebrate America's 250th anniversary by visiting smaller communities across Ohio and recognizing retailers for their support of the Ohio Lottery and *Cash Explosion*.

The first stop in October was Sammy's Food Mart in Streetsboro. Region 7 picked Sammy's not only for their success with lottery but also for their love of their community. The chilly day brought out fans old and new, including former *Cash Explosion* contestants.

Colla's Market in Youngstown was the final stop and despite it being an OSU game day, a steady crowd of fans joined *Cash Explosion* for a fun day of winning. Colla's has worked alongside *Cash Explosion* before for their *Cash Explosion* Live show in 2025, and they were more than gracious to work with the team again.

Customers at both events had the chance to play *Cash Explosion* mini games, and win merchandise and gift cards ranging from $25 to $100.

The *Cash Explosion* team was excited to bring a little piece of the show to local neighborhoods and hopes to pop up again next year in communities across the state.
