SPORTS GAMING BULLETIN

September 1, 2022

The Ohio Lottery Commission is issuing this bulletin to Type C Lottery Sports Gaming Proprietors to provide a status on the program and procedures.

Operating Standards and Minimum Internal Control Standards will be available on our website in their entirety as they are drafted and approved.

On the first of each month, the Lottery will publicize a bulletin on this website providing updates on any changed items.

Operating Standards

Financial Processing – The agency has published Operating Standards on financial processing. This operating standard covers revenue collection requirements and the required revenue reporting.

Event Wagering System and Devices – The agency has published Operating Standards addressing GLI and wagering device testing and certification requirements.

Security Planning – The agency has published Operating Standard updates to the section on key and access control requirements.

Annual Plan – The agency has published Operating Standards updates to the Annual Plan. This includes an update on timelines for items required and due to the Lottery.

Advertising and Promotion – The agency has published updates to the Operating Standard for Advertising and Promotion. These updates include the type C host recruitment through third party marketing affiliates and reporting.

Minimum Internal Control Standards

No Updates to MICS at this time.

Inquiries regarding these standards or other program components may be submitted in writing to sportsgaming@lottery.ohio.gov.
