A message from the Director

Summertime fun is in full swing across the Buckeye State, and July 4th is bigger than barbecue and fireworks because this year marks the 250th birthday of our great nation! The July 4th holiday and summer months are a great time for retailers to capitalize on the increased foot traffic generated by customers stopping in for supplies for their summertime celebrations.

In addition to America's 250th birthday, we're also celebrating Lottery Week in July. Lottery Week was established to celebrate and share the impact that lotteries across the country have had for beneficiaries in their respective states. Here in Ohio, sales from Ohio Lottery games have generated more than \$35 billion since 1974 to support K-12 education in Ohio. That means every time you sell a lottery ticket, you're not only sharing fun and excitement, but you're also helping to support Ohio schools.

Watch for the newest Scratch-Offs ready for sale on July 21. You can find details about *Crazy Cash*, *Magic 8 Ball*, *5 Times Lucky*, and *Gold Rush* on page 5.

We are excited to work alongside many of our retailers at local summer events across the state. In this issue, we're featuring one of our retailers that joined us for the Troy Strawberry Festival. Later this month, we'll be at the Ohio State Fair, an annual tradition that is always exciting for us and our players.

I hope that your summer season is a good one. As always, we appreciate the partnership with our retailer network and the work you do to make the Ohio Lottery a success.

Sincerely,

Michelle B. Gillcrist J.D.

Lottery Week 2026 Celebrating the Impact We Make Together

July 13-19 marks Lottery Week, a time to recognize the positive impacts lotteries have on communities across North America and to celebrate the partnerships that make that impact possible. Every ticket sold helps fund crucial public programs, ranging from education and healthcare to environmental conservation and infrastructure development.

For more than 50 years, the Ohio Lottery has generated billions of dollars to support K-12 education throughout the state.

As an Ohio Lottery retailer, you play a vital role in this mission. Your commitment to providing excellent customer service and promoting Ohio Lottery products helps create winning moments while supporting an important cause in every community.

Lottery Week is an opportunity to celebrate the collective contributions of players, retailers, and Ohio Lottery employees who help make a difference every day. Thank you for your partnership and dedication to the Ohio Lottery's mission of supporting education while delivering fun and entertainment to millions of Ohioans.

Together, we're creating winners and supporting Ohio's future.

Lottery Operations Update

As we continue to prepare for the conversion to a **new gaming system vendor** in 2027, we are excited to share an update with you!

As part of the conversion, the Lottery will replace all existing terminals and equipment. We're excited about the upgrade for our retailers and our customers.

See below for a sneak peek at the new self-serve kiosks coming in 2027. Our sales staff is evaluating all retail locations based on a variety of criteria to determine which types of equipment will be assigned to your location.

The **PlayCentral Compact** will replace the DreamTouch Smart (DTS)

The **PlayCentral** will replace the WinStation

The **PlayCentral Flex** will replace the Touch & Win, Multi-Play (MP) and MPNG

Retailer Prep for Conversion

We will be offering a series of town hall meetings beginning in September where you will get an overview of the conversion timeline and expectations.

At the town hall meetings, you will also learn what to expect for equipment installation, equipment removal, and go-live. Additionally, we will cover process enhancements with the new gaming system.

Retailer e-Learning

Retailers will be required to complete training videos provided through e-Learning. The retailer e-Learning training will cover various topics including retailer terminals and peripherals, sales, and reporting, as well as the technical aspects of operating the terminal. Training will also cover account management and interacting successfully with customers.

Retailer e-Learning will allow participants to engage in training that is accessible on smartphones, tablets, laptops, and desktops. Retailers will be assigned a learning path that corresponds to their assigned terminals. The e-Learning sessions will be important and helpful to anyone selling Lottery in your location, so we encourage you to share access to the training with your clerks. Watch for more information in the coming months in Ticket Seller.

Retailer Incentive Program

The Retailer Incentive Program is suspended temporarily through the completion of the conversion in 2027. We are working on other incentives and awards that retailers will be eligible for during that time. The Lottery will introduce a new Retailer Incentive Program post-conversion.

HOMESTEAD VARIETY Oregon, OH

Homestead Variety in Oregon, Ohio recently sold ANOTHER big winner to the same man. The very lucky regular won big for the **third time in six years**.

The first time was back in August 2020 when the customer won \$10 million on an *Extreme Millions* Scratch-Off. In June 2025, he added another \$100,000 to his winnings thanks to a \$2,000,000 *Cashword* Scratch-Off. His most recent big win was in June when he won the \$1 million jackpot on a \$1 Million *Stacked* Scratch-Off.

He said that he likes to buy certain tickets. And when he wins, he likes to spread the wealth. Besides giving money to his kids, he donates to various schools, St. Jude, and other charitable organizations. In his free time, besides playing scratch-offs, he likes to golf and hang out with friends at the VFW.

Dustin at Homestead said that they can't believe how lucky he is. Dustin said that you would never know that they have such an unusual repeat winner in their town. He continues to act exactly like he did before and has stayed the same great guy that is friendly and kind. The only thing that has changed is that now people want to touch him to see if some of his luck will rub off on them.

Homestead Variety is located at 3217 Seaman Road in Oregon.

Beware of Illegal Gambling Machines! You could lose your License!

Lottery Chief Legal Counsel reminds you NOT to install or allow a vendor to install illegal gambling machines in your retail location. Each Lottery Retail Sales License limits you to the sale of schemes of chance authorized by the Director in accordance with Ohio Administrative Code (OAC) §3770-4-03.
