“The Upgrade:” Fast Facts

- The Ohio Lottery is upgrading to a new gaming system.
- The new system will go live in spring 2027, but many retailers will get new self-serve kiosks installed before then.
- Until the go-live date, new kiosks will be cash only and only sell Scratch-Offs. (PlayCentral Flex® kiosks will be entirely offline until the system upgrade is complete.)
- Players can visit the Lottery counter or an existing kiosk to play all Ohio Lottery games and make all other transactions during this transition period.
