Hamilton Local School District
Ohio Lottery Teacher of the Month Recipient

“The Ohio Lottery’s Partners in Education program recognizes outstanding teachers and students for their efforts inside and outside of the classroom. Getting an education is more than just learning the subject content in a classroom. It also includes social and emotional development through extracurricular programs such as community service, arts and athletics. To be recognized as a Teacher of the Month by the Ohio Lottery’s Partners in Education program is gratifying because it acknowledges a teacher’s overall body of work. There are many, many outstanding teachers and students in the great state of Ohio, and the Ohio Lottery’s effort to recognize them for a job well done is rewarding and appreciated.”
