The Ohio Lottery is Giving Back with New Initiative

Ohio Lottery surprises 20 Ohio teachers by fulfilling \$1,000 classroom wish lists

Teachers spend thousands of dollars of their own money to supply their classrooms with things as simple as pencils and as complex as cameras, so the Ohio Lottery's Giving Back community impact initiative is investing in their classrooms by funding Teacher Wish Lists.

Twenty Ohio teachers got the surprise that they were selected to receive up to \$1,000 each to fund items on their Teacher Wish Lists as part of the Lottery's Giving Back Program.

"We're proud to be able to help educators fill in gaps for essential resources, whether it's a library of books or the science project they've been dreaming of for their students. We're excited to see the impact these items make in their classrooms," Lottery Director Michelle Gillcrist said.

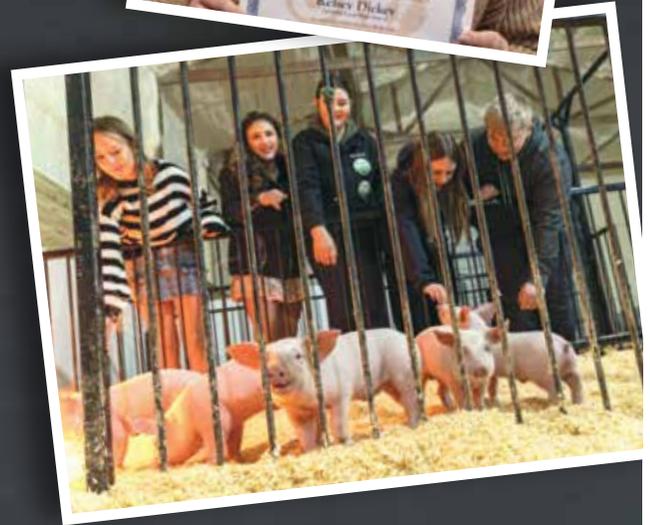

Teachers used their list to fulfill a variety of items. **Kelsey Dickey**, an agriculture teacher in the Fairfield Local High School, used her wish list to provide tools and equipment for her class to care for and raise pigs.

Chelsie Wright, a teacher at West Muskingum Middle School, purchased microphones for students to use in class presentations and camera equipment for the photography club.

The 20 teachers were selected in a random drawing of all licensed K-12 educators in Ohio, with five teachers chosen from each of the state's four quadrants to ensure fairness and statewide representation.

The Teacher Wish List initiative is part of the Ohio Lottery's broader Community Impact Program, which highlights the tangible ways the Lottery supports education and communities.

Taking Care of Business:

Beware of illegal gambling machines! You could lose your License!

Lottery Chief Legal Counsel reminds you NOT to install or allow a vendor to install illegal gambling machines in your retail location.

Each Lottery Retail Sales License limits you to the sale of schemes of chance authorized by the Director in accordance with Ohio Administrative Code (OAC) §3770-4-03.

The installation of gambling machines and related services are illegal under Ohio Revised Code §§2915.02 and §2915.092 and prohibited by OAC §901:9-2-07 and Chapter 3772.

Moreover, if you are found to be in possession of unregulated skill-based amusement machines you and your employees could be prosecuted criminally. You will also likely lose your Ohio Lottery License.

Illegal gambling is a crime, and the Ohio Lottery takes this very seriously.

Winner News!

Powerball Winner Had Winning Ticket in His Wallet for Months

John from Powhatan Point bought a *Powerball* ticket September 23, 2025, for the next day's drawing. He put the ticket in his wallet and forgot all about it. He finally found it in his wallet and decided to have the numbers checked.

He went to Tom's Carry Out located at 329 St. Rt. 7 North in Powhatan Point to get ice in late December and had the clerk scan the ticket that he bought there three months ago.

He was quite surprised to find out he won \$50,000 after having the winning ticket in his wallet for all those months.

John matched four of the five white balls plus the *Powerball*. The winning numbers on September 24, 2025, were 15-45-49-50-53+19 with a 3X Power Play.

\$2 Million Scratch-Off Prize Won in Metamora

Candace is celebrating a top prize win of \$80,000 a year for 25 years on the Ohio Lottery Scratch-Off, *\$300 Million Diamond Dazzler*.

She originally thought the ticket was not a winner and scanned it using the Ohio Lottery app to receive points. She was shocked when the winning message popped up, so she checked her ticket again. Candace chose the \$1 million cash option.

The winning ticket was purchased at T Mart, located at 109 E Main St. in Metamora.
