Welcome to Kenotes

a publication for bars, taverns, restaurants and clubs selling the Ohio Lottery KENO game.

With the start of autumn, many of us shift our sights to football and the upcoming holiday season. We have a lot to be grateful for, and that includes you and your staff. Everyone managing our licensed bars, taverns, restaurants and clubs work hard to make this time of year special for all their guests.

We have several *Keno* promotions to round out 2022. Be sure to let customers know about *Keno Extra Helping*, our promotion with a Thanksgiving vibe that captures the fun and excitement of this time of year. *Extra Helping* runs Friday, Nov. 18 - Wednesday, Nov. 23. That promotion is followed in December by *Light up the Fun* and *Keno Countdown*.

Check out our spotlight on one of our high-performing *Keno* retailers, Davidson's Restaurant in Canfield, and its owner Frank Davidson, on pages 6 and 7. You'll find information on sports betting, a celebration of our latest *Keno* Million Dollar Club members, *Keno* winners and more in this issue of *Kenotes*.

Talk to your sales representative for helpful hints to make the most of this time of year.

Cheers to you!

Davidson's Restaurant

Frank Davidson opened Davidson's Restaurant with a five-year plan. After a 20-year career in Los Angeles, working in direct sales, he decided to come home. He planned, among other things, to retire, spend time with friends and golf. A popular bar/restaurant in a small strip mall in Canfield changed all that.

Still a young man, Frank and his wife became regulars. They saw that the business had good crowds and lots of potential. However, after some management difficulties, the business closed. Soon after, he decided to make an offer, restarting the business and purchasing the strip mall where it was located. Eventually, he tore down the strip mall and built Davidson's Restaurant, a successful free-standing bar and restaurant complex on the property.

He became an Ohio Lottery retailer 2016.

"It's really done well," says Frank, who said that the ability to sell *Keno* through a kiosk was key. Davidson's *Keno* sales put his business in the top 5% of all retailers selling the popular social game. "*Keno* keeps some people here longer and helps them enjoy their stay, especially if they win," he says.

You can find Frank talking to regulars and other visitors to the bar and restaurant in the late afternoons and evenings, keeping everything in check.

Even with the challenges of the last few years, Ohio Lottery games like *Keno* and EZPLAY® Games provide a nice boost to his business. **Mandy**, Davidson's bar manager, works closely with Lottery sales representative **Bob Carcelli** on their Lottery business needs.

Frank has put in an application for sports gaming and is waiting to see what comes next. He'll be looking at sports gaming's performance, with plans to launch the new games sometime in 2023.

Bob Carcelli, sales representative for Davidson's Restaurant, and Alexis, who's worked at Davidson's for the past five years. "We've got good food, a lot of regulars," she says. "We're welcoming people."

Mandy, the bar manager for Davidson's Restaurant, works closely with Bob to keep their Keno playing guests happy.
