*Prizes should be broken up into groups of similar types; for example: event tickets, experiential prizes.

**When offering prizes that are tied to specific event dates (e.g., tickets, experiences), those dates must be listed.

***The standard approach to fulfilling prizes is that the Lottery's agency partner will ship items to MyLotto Rewards® members or send instructions for the experience. For non-typical prizes, fulfillment will be discussed on a case-by-case basis. If the necessary fulfillment method of a specific prize differs from the typical method, please advise.
